Product Category Listing

Instructions: Check all Categories and Subcategories that apply to your company. You must carry the products in your catalog as of September 1, 2004 in order to be listed in that category. A copy of your current catalog must be sent along with this form as we will verify your listing. If you do not have a print catalog, or an online catalog, include a list of your products. If you do not see a subcategory that applies, choose 'Other' and write in a suggested subcategory. Categories are in bold, subcategories are indented below the main category.
